Bellas Better World Tour kicks off on Earth Day

04.22.2020

Bella of Bellaland and **Good America**

is hitting the road on a motorcycle to all 50 states of America. This is a tour around the country for a greater cause.

We are camping out with our survivors, supporters and volunteers across the country to raise awareness and to fight homelessness, trafficking, rape, domestic violence, bullying, mental health, climate change and more. Help us support the homeless veterans and forgotten people of our country.

50,000 veterans are homeless.

We want to provide homes for homeless veterans, children and their families using “veterans first” and “housing first” approach.
