Bellaland Homeless Drive

Share the Love!!

Help us feed the forgotten sick, old and poor homeless people. Help us distribute food and care packages to people in need. Share the love. Thank you!!

One in nine people goes to bed hungry each night. Almost 12 percent of the world's population, 842 million people suffer from hunger worldwide.

Around 9 million people die of hunger and hunger-related diseases every year. 1 in 6 American children may not know where their next meal is coming from. Every 10 seconds, a child dies from hunger.

We need help from friends like you to provide food, health and hygiene for those who desperately need us. Together we can help individuals and families in our community by generous donation and contribution. Please support our drive to make a difference in the lives of many in need.

Bellaland is collecting donations and non-perishable food items including canned items, boxed food and more to help the hungry and homeless children, women and men. We are also collecting and providing health and hygiene supplies for those in desperate need.
